

September 29, 2017

Dear Community Partner:

SWCAP is known for the many services we provide to help low income individuals and families. We can only do that with the support of people like you! One way you can help is by donating goods or services for auction at our annual Gala Event on Thursday, November 9, 2017 at the Deer Valley Lodge in Barneveld, WI. Last year, area businesses donated fabulous auction items to help us raise more than \$35,000 in support of area Food Pantry services. This year, our gala will support behavioral health services, to address issues such as mental health needs and substance abuse.

Our goal is to raise \$50,000 to give us the capacity to implement programs that improve behavioral health services and support. In order to reach this goal, we are asking for donations for our silent and live auctions.

By donating an auction item or service, you improve local access to behavioral health services and support. We will also recognize you in our event program and on our website and Facebook page.

This year's event is expected to draw supporters and businesses from throughout the five-county Southwest Wisconsin service area. Donations will be prominently featured in our event program. Can you help us out with a donation of a product or service from your business to help us carry out our mission to help people and families break the cycle of poverty? All donations are tax deductible. Your donation can be something as simple as a gift certificate to your business, an invitation to share lunch with the CEO, a product, a basket or a service.

A donation form for auction items is on the reverse. Simply fill it out, then call or email us and we'll handle everything, including pick-up (if needed)! Thank you for helping us to break the cycle of poverty for the people and families of this area. Your help is important.

Sincerely,

Wally Orzechowski,  
Executive Director
